

VICTORY CORPS AT WAR

Personnel & Administration C1

Major Accomplishments:

Improved theater personnel accountability by reducing the discrepancy between the Deployed Theater Accountability System and the Joint Personnel Status Report from 27 percent to less than 3 percent during Task Force Victory's tenure at MNC-I in support of Operation Iraqi Freedom ■ Provided casualty support to the families of 645

Soldiers killed in action and 5,660 Soldiers wounded in action, as well as 94 non-battle fatalities Implemented key casualty controls which reduced casualty reporting times by two hours (to a consistent average of three hours from the time of the casualty event) and ensured accurate information to families ■ Established and implemented the use of video teleconferencing for Officer Candidate School boards and U.S. citizenship interviews ■ Implemented a Pay Day Battle Drill process across the Iraqi army ■ Spearheaded a safety campaign plan which led to a 16 percent decrease in ground accidents; a decrease in ground fatalities of more than 40 percent; a 59 percent decrease in aviation fatalities decrease by 59 percent; a decrease of more than 58 percent in rollover accidents, and a decrease of more than 45 percent in rollover fatalities

Intelligence and Security C2

Major Accomplishments:

Supervised an expert interrogation management program that conducted 41 inspections to enforce Multi-National Corps - Iraq and Multi-National Force - Iraq standards ■ Effectively integrated 20 contracted human intelligence support and 11 interrogation support teams, resulting in more than 175 human intelligence teams in support of multi-national divisions ■

Significantly improved physical security with more than \$250,000 worth of proper and secure storage and destruction equipment ■ Maintained personnel security by issuing more than 8,000 badges; completing more than 500 indoctrinations, and processing more than 375 personnel security actions
